Following my Oral Statement on Alphasteel at Plenary on 15 January, you raised a question about the accrued contributions made to the Alphasteel Pension Scheme and I undertook to write to you about this.

The administrators of Alphasteel have indicated that all the accrued contributions made to the pension scheme were up to date, apart from the payment for the month of December which, the administrators say, will be resolved.

I understand Alphasteel's administrators will be meeting soon with the Company's pension scheme managers. Following these discussions, it is expected that further information would be made available to scheme members.

I hope this addresses your concerns.
